Directions

- 1 Line a baking sheet with parchment paper.
- 2 Slice bananas into 1/2 inch thick rounds. Use a butter knife to spread peanut butter onto half of the banana slices. Place the remaining banana slices on top to create a sandwich. Transfer to the baking sheet.
- 3 Hold the sandwiches firmly on both sides with one hand and insert popsicle sticks through the middle of the top of each sandwich so they are sticking up vertically. Place in the freezer and let harden for ~30 minutes.
- 4 Fill one large pot with water and place a smaller pot inside. Bring to a boil then reduce to lowest heat. Ensure no water is able to escape into the smaller pot. Add the dark chocolate and coconut oil to the smaller pot and stir continuously until melted. Use a spatula to transfer all the chocolate into a small cup (note: this makes it easier for dipping).
- 5 Remove the bananas from the freezer and dip them one-by-one into the melted chocolate. Feel free to double dip if you have leftover chocolate. (If you are sprinkling with any toppings, do so quickly while the chocolate is still wet.)
- 6 Place the pops back onto the baking sheet with the popsicle sticks sticking up vertically. Place back in the freezer until chocolate is hardened (about 30 to 60 minutes). Enjoy right away or store in an airtight container for later.
