Directions

- 1 Preheat your oven to 350°F (177°C) and line a muffin tin with muffin liners. Brush each liner with a small amount of coconut oil, to prevent sticking.
- 2 In a large mixing bowl, combine the almond flour, cocoa powder, sea salt, and baking soda. Mix well.
- 3 In a medium-size bowl, whisk together the olive oil, maple syrup, and eggs. Add the wet ingredients to the dry. Mix until combined then stir in the zucchini.
- 4 Spoon the muffin batter between cups, so it's evenly divided then bake for 18 to 20 minutes, or until a toothpick inserted into the centre of a muffin comes out clean.
- 5 Let cool completely before eating, to prevent the muffins from sticking to the liners.
